My dear Sir.

In reply to yours of recent date, making Enquiry about your Uncle Robert Collier, beg to say that all I know is that he joined our Command I think & in the fall of 1862 at Savannah Ga. Co. "A" 32nd Ga Regt & died I think June 292 1862 with measles if I remember correctly. I had list of those who died at Savannah but it has been mislaid.

He was tall & slender, I suppose was 6 feet 2 in. Write to W. L. Franklin (Mayor) more familiar with Burnett or come to see him he lives about one mile of antioch church, I have been sick or I might have seen him, he is the only one living that I know of, who can give you any information.
